EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND REGULATION 36 OF SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

The following Statement sets out all material facts relating to Item No. 3 mentioned in the accompanying Notice:

M/s. L B Jha & Co., Chartered Accountants (Firm Registration No: 301088E) were appointed as the Statutory Auditors of the Company for a consecutive term of 5(five) years till the conclusion of the 28th Annual General Meeting (AGM) of the Company and hence, would retire at the conclusion of the ensuing AGM. Pursuant to Section 139(2) of the Companies Act, 2013, a listed entity may re-appoint an audit firm as its Statutory Auditors for a second term of 5(five) consecutive years.

Considering the performance of M/s. L B Jha & Co., Chartered Accountants in their present tenure the Audit Committee of the Company has recommended to the Board to re-appoint M/s. L B Jha & Co., Chartered Accountants as the Statutory Auditors of the Company for a second term of 5(five) years in accordance with the provisions of the Companies Act, 2013 and the rules made thereunder.

Based on recommendations of the Audit Committee, the Board of Directors at their meeting held on 19th May, 2023, has approved the re-appointment of M/s. L B Jha & Co., Chartered Accountants as the Statutory Auditors of the Company for a second term of 5(five) years.

The Audit Committee and the Board of Directors have considered the following factors in recommending the re-appointment of M/s. L B Jha & Co., Chartered Accountants as the Statutory Auditors of the Company:

- Performance of M/s. L B Jha & Co., Chartered Accountants as the Statutory Auditors of the Company during the present tenure;

- Ability of the firm to seamlessly scale and understand the Company's operations, systems and processes; and
- Competence of the leadership and of the audit team of the firm in conducting the audit of the financial statements of the Company;

Accordingly, M/s. L B Jha & Co., Chartered Accountants (Firm Registration No: 301088E) is proposed to be re-appointed as the Statutory Auditors of the Company, for a second term of 5(five) years, commencing from the conclusion of the ensuing AGM till the conclusion of the 33rd AGM. M/s. L B Jha & Co., Chartered Accountants have given their consent to the said re-appointment and confirmed that their appointment, if made, would be within the limits specified under section 143(3)(g) of the Act. They have further confirmed that they are not disqualified to be re-appointed as Statutory Auditors of the Company in terms of provisions of the proviso to section 139(1), Section 141(2) and Section 141(3) of the Companies Act, 2013 and the provisions of Companies (Audit & Auditors) Rules, 2014.

The remuneration to be paid to the Statutory Auditors for their term of 5(five) years shall be as per the mutual Agreement between the Board and the Statutory Auditors from time to time.

None of the Directors/ Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the Resolution set out at item No. 3 of the notice. The Board recommends the resolution set out at Item No. 3 of the notice to be passed as an Ordinary Resolution.

NOMINATION AND REMUNERATION POLICY

1. Preamble

- 1.1 The remuneration policy provides a framework for remuneration paid to the members of the Board of Directors ("Board"), Key Managerial Personnel ("KMP") and the Senior Management Personnel ("SMP") of the Company (collectively referred to as "Executives"). The expression "senior management" means personnel of the company who are members of its core management team excluding Board of Directors comprising all members of management one level below the executive directors, including the functional heads.
- 1.2 In terms of Section 178 of the Companies Act, 2013 which has been made effective from April 1, 2014 by the Central Government vide notification no. S.O. 902(E) issued on March 26, 2014, this Remuneration Policy ("the Policy") is being framed and formulated for laying down criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the Executives.
- 1.3 The policy will be reviewed every year by the Nomination and Remuneration Committee of the Board of Directors.

2. Aims & Objectives

- 2.1 The aims and objectives of this remuneration policy may be summarized as follows:
 - 2.1.1 The remuneration policy aims to enable the company to attract, retain and motivate highly qualified members for the Board and other executive level.
 - 2.1.2 The remuneration policy seeks to enable the company to provide a well-balanced and performance-related compensation package, taking into account shareholder interests, industry standards and relevant Indian corporate regulations.
 - 2.1.3 The remuneration policy will ensure that the interests of Board members & senior executives are aligned with the business strategy and risk tolerance, objectives, values and long-term interests of the company and will be consistent with the "pay-for-performance" principle.
 - 2.1.4 The remuneration policy will ensure that remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the

working of the company and its goals.

3. Principles of remuneration

- 3.1 **Support for Strategic Objectives:** Remuneration and reward frameworks and decisions shall be developed in a manner that is consistent with, supports and reinforces the achievement of the Company's vision and strategy.
- 3.2 **Transparency:** The process of remuneration management shall be transparent, conducted in good faith and in accordance with appropriate levels of confidentiality.
- 3.3 **Internal equity:** The Company shall remunerate the board members, KMP and senior management in terms of their roles within the organisation. Positions shall be formally evaluated to determine their relative weight in relation to other positions within the Company.
- 3.4 **External equity:** The Company strives to pay an equitable remuneration, capable of attracting and retaining high quality personnel. Therefore the Company will remain logically mindful of the ongoing need to attract and retain high quality people, and the influence of external remuneration pressures. Reference to external market norms will be made using appropriate market sources, including relevant and comparative survey data, as determined to have meaning to the Company's remuneration practices at that time.
- 3.5 **Flexibility:** Remuneration and reward offerings shall be sufficiently flexible to meet both the needs of individuals and those of the Company whilst complying with relevant tax and other legislation.
- 3.6 **Performance-Driven Remuneration:** The Company shall entrench a culture of performance driven remuneration through the implementation of the Performance Incentive System.
- 3.7 **Affordability and Sustainability:** The Company shall ensure that remuneration is affordable on a sustainable basis.

4. Nomination and Remuneration Committee

- 4.1 The Remuneration Committee of the Board of Directors shall be re-named as Nomination and Remuneration Committee. Members of the Committee shall be appointed by the Board and shall comprise of three or more non-executive directors out of which not less than one-half shall be independent directors.

At present, the Nomination and Remuneration Committee comprises of following Directors:

- i. *Mr. Sharad Kumar Bachhawat (Non-Executive Independent Director)*
- ii. *Mrs. Pragya Baid (Non-Executive Director)*
- iii. *Mr. Abhay Doshi (Non-Executive Independent Director)*

4.2 The Committee shall be responsible for

4.2.1 Formulating framework and/or policy for remuneration, terms of employment and any changes, including service contracts, remuneration, policy for and scope of pension arrangements, etc for Executives and reviewing it on a periodic basis.

4.2.2 Formulating criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the Executives.

4.2.3 Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down in this policy, recommend to the Board their appointment and removal and carry out evaluation of every director's performance.

4.2.4 Formulating terms for cessation of employment and ensure that any payments made are fair to the individual and the company, that failure is not rewarded and that the duty to mitigate loss is fully recognised.

4.3 The Committee shall:

4.3.1 review the ongoing appropriateness and relevance of the remuneration policy;

4.3.2 ensure that all provisions regarding disclosure of remuneration, including pensions, are fulfilled;

4.3.3 obtain reliable, up-to-date information about remuneration in other companies;

4.3.4 ensure that no director or executive is involved in any decisions as to their own remuneration.

4.4 Without prejudice to the generality of the terms of reference to the Remuneration Committee set out above, the Remuneration Committee shall:

4.4.1 operate the Company's share option schemes (if any) or other incentives schemes (if any). It shall recommend to the Board the total aggregate amount of any grants to employees (with the specific grants to individuals to be at the discretion of the Board) and make amendments to the terms of such schemes (subject to the provisions of the schemes relating to amendment);

4.4.2 liaise with the trustee / custodian of any employee share scheme which is created by the Company for the benefit of employees or Directors; and

4.4.3 review the terms of executive Directors' service contracts from time to time.

5 Procedure for selection and appointment of the Board Members

5.1 Board membership criteria

5.1.1 The Committee, along with the Board, reviews on an annual basis, appropriate skills, characteristics and experience required of the Executives for the better management of the Company. The objective is to have a Board with diverse background and experience in business, government, academics, technology and in areas that are relevant for the Company's global operations.

5.1.2 In evaluating the suitability of individual Board members, the Committee takes into account many factors, including general understanding of the Company's business dynamics, global business and social perspective, educational and professional background and personal achievements. Directors must possess experience at policy-making and operational levels in large organizations with significant international activities that will indicate their ability to make meaningful contributions to the Board's discussion and decision-making in the array of complex issues facing the Company.

5.1.3 Director should possess the highest personal and professional ethics, integrity and values. They should be able to balance the legitimate interest and concerns of all the Company's stakeholders in arriving at decisions, rather than advancing the interests of a particular constituency.

5.1.4 In addition, Directors must be willing to devote sufficient time and energy in carrying out their duties and responsibilities effectively. They must have the aptitude to critically evaluate management's working as part of a team in an environment of collegiality and trust.

5.1.5 The Committee evaluates each individual with the objective of having a group that best enables the success of the Company's business.

5.2 Selection of Board Members/ extending invitation to a potential director to join the Board

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

World Economic Conditions

The global economy is projected to grow by 1.7% in 2023 and 2.7% in 2024. However, the sharp downturn in growth is expected to be widespread, with forecasts in 2023 revised down for 95% of advanced economies and nearly 70% of emerging market and developing economies. The World Economic Forum's Community of Chief Economists expect a global recession of 2023, see geopolitical tensions continuing to shape the global economy and anticipate further monetary tightening in the United States and Europe.

The baseline forecast is for growth to fall from 3.4 percent in 2022 to 2.8 percent in 2023, before settling at 3.0 percent in 2024. In a plausible alternative scenario with further financial sector stress, global growth declines to about 2.5 percent in 2023 with advanced economy growth falling below 1 percent.

Despite facing various obstacles such as inflation, the Russia-Ukraine conflict and a resurgence of COVID-19 cases in China, the global economy demonstrated resilience and emerged stronger in FY 2022-23. The global GDP grew by 3.4% with record level of inflation. Central banks around the world raised policy interest rates to combat inflation. However, economic growth picked up in the latter half of the financial year due to lower commodity prices, strong labour markets. China's reopening of its economy could also be attributed as one of the primary reasons for the recovery in global economic activity.

The world has entered a new era of rapid global change driven by major shifts in demographics, wealth, technology, and climate. But economic growth has been uneven, has come at the expense of the environment, and already has slowed due to climate damages. Global challenges including fiscal strains on governments exacerbated by the COVID-19 pandemic, conflicts, environmental degradation, resource depletion, and record levels of displacement are threatening recent gains. These challenges are compounded by intensifying systemic risks, including trade tensions, rising debt levels, reduced effectiveness of monetary policy as a crisis instrument, and increasing inequality among and within countries

Indian Economic Conditions

Financial Year 2022-23 opened with a firm belief that the pandemic was rapidly on the wane and that India was poised to grow at a fast pace and quickly ascend to the pre-pandemic growth path. Strong economic growth in the first quarter of financial year 2022-23 helped India overcome UK to become the fifth-largest economy after it recovered from repeated waves of COVID-19 pandemic shock. However, the effects of the slowdown in global economic growth resulting from high inflation and the continuing war between Russia and Ukraine are also seen to be affecting India's economic performance.

The year 2022 has been challenging for India from various economic perspectives. However, even as the Indian economy faces multi-dimensional challenges in the short term, it remains one of the most dynamic major economies in the world with immense headroom for growth. A favourable demographic profile, rapid urbanisation and increasing affluence represent some of the key structural drivers of growth of the Indian economy. India's recovery from the pandemic was relatively quick, and growth in the upcoming year will be supported by solid domestic demand and a pickup in capital investment.

The Indian economy is projected to grow at 6.6% in 2023-24 slowing down from an estimated 6.9% in 2022-23 due to a projected global slowdown. However, India is expected to be fastest-growing economy among the seven emerging markets and developing economies. According to the Reserve Bank of India, India will be a 3.7 trillion dollar economy in 2023, maintaining its lead over the UK as the fifth largest economy of the world. Despite global headwinds, India is well positioned to register impressive growth, backed by robust demand from its large domestic markets. The International Monetary Fund expects India's economy to grow at 6.8% in FY 2023. As per the survey, India's economy is expected to grow 6-6.8% in 2023-24 compared to 7% of this fiscal and 8.7% in 2021-22. The government's annual Economic Survey report said its baseline scenario for growth 2023-24 was 6.5% with nominal growth which accounts for inflation forecast at 11%.

Industry Structure & Developments

Rapid industrialization across the globe is one of the key factors driving the growth of FIBC market. Chemical and agriculture product manufacturers are increasingly using FIBCs to handle grains, rice, potatoes, cereals and liquid chemicals. These bags are also used to store and transport construction materials, such as carbon black, steel, alloys, minerals, cement and sand. Furthermore, increasing environmental consciousness among the masses and the rising demand for lightweight, biodegradable and bulk packaging material for pharmaceutical products, is also stimulating the market growth. Food-grade FIBC bags are manufactured using virgin polypropylene resins that aid in preventing spoilage of perishable goods and are suited for storing packaged products in bulk quantities.

With the slowdown in world economic growth, the FIBC (Flexible Intermediate Bulk Container) industry has also suffered a certain impact, but still maintained a relatively optimistic growth, the past four years, FIBC (Flexible Intermediate Bulk Container) market size to maintain the average annual growth rate of 9% from 2015 to 2021, analysts believe that in the next few years, FIBC (Flexible Intermediate Bulk Container) market size will be further expanded, we expect that by 2025. The Company still has been able to maintain its market and growth in spite of the challenges faced due to pandemic and other global changes.

Strengths and Opportunities:

Your Company is taking all efforts to improve the quality and productivity to get more orders at competitive rates. The strength of the business lies in the manufacture and supply of value added goods to reach the end users. The intense competition with many enterprises fighting for a share in market demands competitive pricing and quality in the product to survive and your company is able to grow under this challenging conditions as result of expertise from decades of experience in the market, quality improvements, innovation, better pricing and servicing of customers and the ability to meet the demand from market.

Weaknesses and Threats:

Availability of labour: There is tremendous shortage of manpower and being a labour intensive industry it has the potential to affect production. However, management has adequate systems in place to constantly monitor manpower requirement, provide internal training

and is also introducing new initiatives to reduce attrition rates.

Volatility in Raw Material prices: The prices of polypropylene and polyethylene are fluctuating. This can adversely affect the growth of the bulk container packaging industry as these two products are used in the manufacture of bulk container packaging.

Competition Threats: Though your company is well positioned in the market, yet it is exposed intense competition from other large and small organizations which could put pressure on market share and margins.

Replacement Threats from Substitutes: With the growing alertness against the use of plastic in daily life at an alarming rate, there is a threat of close substitutes.

Effect of Global Conditions: Despite intermittent disruptions during the previous 2(two) years in regular operations of the Company due to COVID - 19 pandemic, requiring lockdown, restrictive measures & other emergency measures, resulting in frequent interruption of working, the Company has been able to perform reasonably during the year ended 31st March, 2023.

Risks and Concerns

1. Your Company operates in Polymer based industry and the price of the polymer is majorly linked with crude oil prices which is fluctuating in nature, so there is an inherent risk of fluctuation of foreign currency which have effect on the prices of the products and earnings of the Company in case of exports.
2. Competitors in the same industry continue to pose a threat to the Company.
3. The Company being located in the eastern part of India has to face certain disadvantages in terms of payment of excess ocean freight and increase in transit time to European countries compared to industries located in the western part of India. The number of main line vessels entering the eastern port are lesser in comparison to western ports. This results in export orders getting effected due to increase in cost and transit period.

4. Your Company is labour intensive industry and the increase in the labour cost is likely affect the Company. However, your Company strives to be cost conscious.

5. The Company operates in Polymer based industry which is highly regulated and therefore any adverse regulations may effect the growth of the Company.

The Company has a well defined Policy for risk mitigation which is subject to change as and when required.

Segment Wise Performance

The Company is engaged in the business of manufacture and sale of polymer-based FIBC/woven bags. It also deals in trading of raw materials to further enhance its performance.

Discussion on financial performance with respect to operational performance

During the year under review your Company has achieved revenue of Rs. 10934.19 lakhs as against Rs. 12300.51 lakhs in the previous year. PBIDT rose to Rs. 3411.84 lakhs as compared to Rs. 2907.24 lakhs in the previous year. PAT for the year under review was Rs. 2436.91 lakhs which is almost 10.26% higher than that of previous year's PAT of Rs. 2205.48 lakhs.

Outlook

Driven by the requirement for FIBC bags your Company is aggressively making effort to expand business activities in West Bengal and also all over India. The Company will continue to tap new global prospects by leveraging its leadership position in the FIBC segment. The Company is optimistic of increasing its revenue by focusing on plastic processing solutions.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RDB RASAYANS LIMITED

Report on the Audit of the Financial Statements

Opinion

- We have audited the accompanying financial statements of **RDB RASAYANS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows, the Statement of Changes in Equity for the year then ended on that date and notes to the financial statements including a summary of significant accounting policies and other explanatory information (herein after referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit (including Other Comprehensive Loss), Changes in

equity and its cash flows for the year ended on that date.

Basis for Opinion

- We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

- Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No	Key Audit Matter	Auditor's Response
1.	<p>Recoverability of Indirect tax receivables</p> <p>As at March 31, 2023, other assets include input credits and indirect taxes recoverable which are pending adjudication/ adjustment.</p>	<p>Principal Audit Procedures</p> <p>With the assistance of internal tax specialists who have knowledge of relevant tax regulations, we assessed management's processes and tested internal controls implemented for the identification, recognition and measurement of tax positions. As part of our audit procedures for uncertain tax positions, we evaluated whether management's assessment of the tax effect of significant business transactions and events in current fiscal year, which could result in uncertain tax provisions or impact the measurement of existing uncertain tax positions comply with the applicable tax laws.</p>
2.	<p>Contingent Liabilities</p> <p>The Company operates in a complex tax environment and is required to discharge direct and indirect tax obligations under various legislations such as Income Tax Act, 1961, the Finance Act, 1994, Goods and Services Tax Acts and VAT Acts of various states.</p> <p>The tax authorities under these legislations have raised certain tax demands on the Company in respect of the past periods. The Company has disputed such demands and has appealed against them at appropriate forums. As at March 31, 2023 the Company has an amount of Rs 379.94 lakhs involved in various pending tax litigations.</p> <p>Ind AS 37 requires the Company to perform an assessment of the probability of economic outflow on account of such disputed tax matters and determine whether any particular obligation needs to be recorded as a provision in the books of</p>	<p>Principal Audit Procedures</p> <p>In assessing the exposure of the Company for the tax litigations, we have performed the following procedures:</p> <ul style="list-style-type: none"> Obtained an understanding of the process laid down by the management for performing their assessment taking into consideration past legal precedents, changes in laws and regulations, expert opinions obtained from external tax / legal experts (as applicable); Assessed the processes and entity level controls established by the Company to ensure completeness of information with respect to tax litigations; Along with our tax experts, we undertook the following procedures: Reading communications with relevant tax authorities including notices, demands, orders, etc., relevant to the ending litigations, as made available to us by the management;

	<p>account or to be disclosed as a contingent liability. Considering the significant degree of judgement applied by the management in making such assessments and the resultant impact on the financial statements, we have considered it to be an area of significance for our audit.</p>	<ul style="list-style-type: none"> • Testing the accuracy of disputed amounts from the underlying communications received from tax authorities and responses filed by the Company; • Considered the submissions made to appellate authorities and expert opinions obtained by the Company from external tax / legal experts (wherever applicable) which form the basis for management's assessment; • Assessed the positions taken by the management in the light of the aforesaid information and based on the examination of the matters by our tax experts. • Read the disclosures included in the Standalone Ind AS Financial Statements in accordance with Ind AS 37.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexures to Board Report, Corporate Governance and Shareholders' Information but does not include the financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.
5. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
7. When we read the aforesaid documents, if we conclude that there is a material misstatement therein, we are required to communicate the matters to those charged with governance.

Management's Responsibility for the Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of

adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

9. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
16. Materiality is the magnitude of misstatements in the financial

statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Report on Other Legal and Regulatory Requirements

17. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
18. As required by Section 143 (3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income) and the Cash Flow Statement, Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

According to the information and explanations given to us and the records of the company examined by us, total managerial remuneration paid as reflected in the financial statements for the year ended 31st March 2023 are in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion

and to the best of our information and according to the explanations given to us:

- a. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note 43 of the financial statements
- b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- d. (i) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

- e. (a) The Company has neither proposed any dividend in the previous year or in the current year nor paid any interim dividend during the year.
- f. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) According to the information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or in the payment of interest to lenders during the year.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanations given to us the Company has not taken term loans during the year hence reporting under this clause is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e)&(f) The Company does not have any subsidiary, associate or joint venture, hence reporting under this clause 3 (ix) (e) & (f) is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under this clause is not applicable.

- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under this clause is not applicable.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the Company, noticed or reported during the year, nor have we been informed of such case by the management.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) According to the information and explanations given to us and the records of the Company examined by us, the Company has not received any complaints from any whistle-blower during the year (and up to the date of this report) and hence reporting under this clause is not applicable.
- xii. The Company is not a Nidhi Company and hence reporting under this clause is not applicable.
- xiii. According to the information and explanations given to us and the records of the Company examined by us, the company has complied with the requirements of sections 177 and 188 of the Act with respect to its transactions with the related parties. Pursuant to the requirement of the applicable Accounting Standard, details of the related party transactions have been disclosed in Note 45 of the financial statements for the year under audit.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clauses 3(xvi)(a) & (b) is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and hence reporting under this clause is not applicable.
- xvii. The Company has not incurred cash losses during the current and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) & (b) According to information and explanation given to us and records of the Company examined by us, there is no fund lying unspent, hence reporting under clause 3(XX) (a) & (b) is not applicable.
- xxi. As the Company does not have any subsidiary, associate and joint venture hence reporting under this clause is not applicable.

**ANNEXURE- B TO THE INDEPENDENT AUDITOR'S REPORT
To the Members of RDB RASAYANS LIMITED
[Referred to in paragraph 18 (f) of the Independent Auditor's
Report of even date]**

**Report on the Internal Financial Control under Clause (i) of Sub
-sections 3 of Section 143 of the Companies Act, 2013 ("the Act")**

1. We have audited the internal financial controls over financial reporting of **RDB RASAYANS LIMITED** ("the Company") as of 31st March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Control

2. The Company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the "Guidance Note" and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material Weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that
- 1) Pertains to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - 2) Provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorization of management and directors of company; and
 - 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion and based on audit tests performed in our audit of the financial statements for the year ended 31st March 2023, the Company has, in all material respect, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023. The Company had established informal practices which are effective in having a proper internal control over financial reporting. A formal system of internal control over financial reporting criteria needs to be established by the Company considering the essential components of internal control as stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting, issued by the Institute of Chartered Accountants of India.
9. We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31st March, 2023 financial statements of the Company and these material weakness does not affect our opinion on the financial statements of the Company.

1 Company Overview

"RDB Rasayans Limited ("the Company") is a listed company incorporated in India on 13th October, 1995 having its registered office at Bikaner Building, 8/1 Lal Bazar Street, 3rd Floor, Room No. 9, Kolkata-700001. The Company is principally engaged in the business of manufacturing Polymer-based Woven Bags & Flexible Intermediate Bulk Container (Jumbo Bags). The Companies' equity shares are listed on the Bombay Stock Exchange (BSE) since 2011."

2 Basis of preparation of Financial Statements

a) Statement of Compliance

These financial statements are prepared in accordance with the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use.

b) Functional and presentation currency

The financial statements of the Company are presented in Indian Rupees ("₹"), which is the functional currency of the Company and the presentation currency for the financial statements.

c) Basis of measurement

The financial statements have been prepared on historical cost convention on the accrual basis, except for the following items: (i) Certain financial assets and financial liabilities measured at fair value; (ii) Employee's defined benefit plan as per actuarial valuation. Fair value is the price that would be received on the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining fair value of an asset or a liability, Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

d) Use of judgments and estimates

In preparing these financial statements, management has made

judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Critical accounting judgements and key sources of estimation uncertainty: Key assumptions -

(i) Useful lives of Property, plant and equipment:

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the remaining useful life of the assets.

(ii) Fair value measurement of financial instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using certain valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

(iii) Defined benefit plans:

Cost of defined benefit plan includes gratuity and the present value of the gratuity obligation are determined using actuarial valuations using projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iv) Recognition and measurement of provisions and contingencies:

The certain key assumptions about the likelihood and magnitude of an outflow of resources. Provision is towards known contractual obligation, litigation cases and pending assessments in respect of taxes, duties and other levies, if any, in respect of which management believes that there are present obligations and the settlement of such obligations are expected to result in outflow of resources, to the extent provided for.

e) Measurement of fair value

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement

of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

3 Significant accounting policies

a) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Financial Assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do contain a significant financing component are measured at transaction price. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Amortised cost
- Fair value through other comprehensive income (FVTOCI)
- Fair value through profit or loss (FVTPL) Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Financial assets at amortised cost:

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The effective interest rate (EIR) amortisation is included in finance income in the profit or loss.

Financial assets at FVTOCI:

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial assets at FVTPL:

A financial asset which is not classified in any of the above categories are measured at FVTPL. Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit & Loss.

Other equity investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

ii. Financial liability

Initial recognition and measurement

Financial liabilities are initially recognised at fair value plus any transaction cost that are attributable to the acquisition of the financial liabilities except financial liabilities at fair value through profit or loss which are initially measured at fair value.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in following categories:• Financial liabilities through profit or loss (FVTPL)• Financial liabilities at amortised cost.

Financial liabilities through FVTPL

A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including

any interest expense, are recognised in profit or loss.

Financial liabilities at amortised cost

Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and any gain or loss on derecognition are recognised in profit or loss. Interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximates fair value due to the short maturity of these instruments.

Derecognition

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

c) Property, Plant and Equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. Borrowing costs directly attributable to the acquisition or construction of those qualifying property, plant and equipment, which necessarily take a substantial period of time to get ready for their intended use, are capitalised. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate components of property, plant and equipment. Assets retired from active use and held for disposal are stated at the lower of their net book value and net realisable value and shown under 'Other current assets'. Property, plant and equipment is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss. Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered

as pre - operative expenses and disclosed under Capital Work - in - Progress.

ii. Subsequent expenditure

Subsequent expenditure is capitalized only when it is probable that the future economic benefits associated with the expenditure will flow to the Company. Ongoing repairs and maintenance are expensed as incurred.

iii. Depreciation and amortisation

Depreciation and amortisation for the year is recognised in the Statement of Profit and Loss. Depreciation on property, plant & equipments are provided on straight line method over the useful lives of assets, at the rates and in the manner specified in Part C of Schedule II of the Act. Freehold land is not depreciated. Leasehold land (includes development cost) is amortised on a straight line basis over the period of respective lease, except land acquired on perpetual lease. Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted as appropriate.

d) Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and any accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Estimated useful life of the Computer Software is 5 years

e) Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. Cost of raw materials is determined on FIFO basis. Value of stores and spares, packing materials, trading and other products are determined on weighted average basis.

f) Impairment

Impairment of non-financial assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest Company of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs. An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of

disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

g) Employee Benefits

i) Short-term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

ii. Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Company makes specified monthly contributions towards Provident Fund. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

iii. Defined benefit plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

h) Provisions (other than for employee benefits)

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

i) Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the company as part of

contract. Revenue from the sale of goods is recognised when the goods have been delivered and title have been passed. No revenue is recognised if there are significant uncertainties regarding recovery of the amount due, associated costs or the possible return of goods from date of initial application.

j) Leases

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. Generally, the company uses its incremental borrowing rate as the discount rate. Lease payments included in the measurement of the lease liability comprise the following:-

- Fixed payments, including in-substance fixed payments;-
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;-
- Amounts expected to be payable under a residual value guarantee; and-
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

k) Recognition of dividend income, interest income or expense

Dividend income is recognised in profit or loss on the date on which the Company's right to receive payment is established. Interest income or expense is recognised using the effective interest method.

l) Income tax

Income tax expense comprises of current and deferred tax. Current tax and deferred tax is recognized in the statement of profit or loss except to the extent that it relates to a business

combination, or items recognized directly in equity or in OCI.

i. Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

m) Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred. Where there is an unrealised exchange loss which is treated as an adjustment to interest and subsequently there is a realised or unrealised gain in respect of the settlement or translation of the same borrowing, the gain to the extent of the loss previously recognised as an adjustment is recognised as an adjustment to interest.

n) Foreign currencies transactions

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss.

o) Government Grant

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Government grants relating to income are deferred and recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income. Government grants relating to the purchase of property, plant and equipment are included in noncurrent liabilities as deferred income and are credited to Statement

of Profit and Loss on a straight-line basis over the expected lives of the related assets and presented within other income.

p) Earnings per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q) Recent Pronouncement

Standard notified but not yet effective:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as follows:

- a) Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.
- b) Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and there is no impact on its standalone financial statements.
- c) Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemptions so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and there is no impact on its standalone financial statements.

Contribution to Gratuity

The Company's gratuity benefit scheme for its employees in India is a defined benefit plan (unfunded).

The Company provides for gratuity from employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/ termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of completed service.

The present value of obligation is determined based on the actuarial valuation using the Projected Unit Credit Method as on 31st March, 2023 which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The Company's gratuity expense is recognized under the head – "Employee Benefit Expense"

These defined benefit plans expose Company to actuarial risks, such as interest rate risk, liquidity risk, salary escalation risk and regulatory risk.

Inherent risk

The plan is defined benefit in nature which is sponsored by the Company and hence it underwrites all the risk pertaining to the plan. In particular, this exposes the Company, to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature, the plan is not subject to longevity risk.

The following tables analyse present value of defined benefit obligations, expense recognised in statement of Profit and Loss, actuarial assumptions and other information.

Terms and conditions of transactions with related parties

The purchase from related party are made in the ordinary course of business and on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and settlement occurs in cash.

46.1 Fair value measurement

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchange in a current transaction between willing parties, other than in forced or liquidation sale. The management assessed that trade receivables, cash and cash equivalent, other bank balances, trade payable and other financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

46.2 Financial instruments by category

The following table shows fair values of financial assets and liabilities, including their levels in financial hierarchy, together with the carrying amounts shown in the statement of financial position. The table does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

46.3 Financial risk management

Risk management framework

The Company's principal financial liabilities comprises of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company operations. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents that derive directly from its operation.

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimise potential adverse effects of market risk on its financial performance. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk.

The Company has exposure to the following risks arising from financial instruments:

- (i) Credit risk
- (ii) Liquidity risk
- (iii) Market risk

(i) Credit risk

Credit risk is the risk of financial loss of the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company receivables from customers. Credit arises when a customer or counterparty does not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing/investing activities, including deposits with bank. The Company has no significant concentration of credit risk with any counterparty. The carrying amount of financial assets represent the maximum credit risk exposure.

Trade receivable

The management has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information and in some cases bank references.

Exposure to credit risks

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry. Details of concentration percentage of revenue generated from top customer and top five customers are stated below :

Particulars	Year ended 31st March 2023		Year ended 31st March 2022	
	%	Amount	%	Amount
Revenue from top customer	16.60%	18,15,597.18	17.58%	21,62,778.18
Revenue from top five customers	55.95%	61,17,204.02	60.23%	74,09,038.21

Trade receivables are primarily unsecured and are derived from revenue earned from sale of product of company. Credit risk is managed through credit approvals, establishing credit limits and by continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. As per simplified approach, the Company makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

(ii) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's finance team is responsible for liquidity, funding as well as settlement management. In addition, Processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments

(iii) Market risk

Market risk is the risk of loss of future earnings, fair value or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates and other market changes that effect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments, receivables, payables and borrowings.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates related primarily to the Company's borrowing with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

Exposure to interest rate risk

The interest rate profile of the Company's interest bearing financial instruments at the end of the reporting period are as follows:

Particulars	As at	As at
	31st March 2023	31st March 2022
Fixed rate instruments		
Financial assets	35,47,000.00	69,33,000.00
Financial liabilities	-	-
	35,47,000.00	69,33,000.00
Variable rate instruments		
Financial assets	59,20,536.78	15,90,146.01
Financial liabilities	-4,243.48	-461,119.99
	59,16,293.30	11,29,026.02

Sensitivity analysis

Fixed rate instruments that are carried at amortised cost are not subject to interest rate risk for the purpose of sensitive analysis.

Cash flow sensitivity analysis for variable rate instruments

A reasonably possible change of 100 basis points in variable rate instruments at the reporting dates would have increased or decreased profit or loss by the amounts shown below.

Particulars	Profit or loss		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
As at 31st March 2023				
Variable rate instruments	59,162.93	-59,162.93	44,272.81	-44,272.81
As at 31st March 2022				
Variable rate instruments	11,290.26	-11,290.26	8,448.73	-8,448.73

(b) Other price risk

Other price risk arises on financial instruments because of changes in, for example, commodity prices or equity prices. The company has invested surplus fund in mutual funds traded in open Market. The company uses quoted (unadjusted) prices in active markets of mutual funds invested. The fair value of all mutual funds which are traded in the stock exchanges is valued using the closing price as at the reporting date and if prices at reporting date are not available, then the price at nearest available date.

Financial Assets at fair value through profit or loss	As at 31st March 2023	As at 31st March 2022
Investment in Mutual Funds (Quoted)	59,20,536.78	15,90,146.01

(c) Currency risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to import of raw materials and spare parts and exports. (Refer Note 35 for Foreign Currency Exposure). The management has decided to open foreign currency accounts in bank, where the proceeds of exports in foreign currency are maintained. To mitigate the risk of foreign currency fluctuation, payment of imports are made from these accounts. The conversion of foreign currency in Indian Rupees is done after review of currency conversion rate on date, historic rate of last few days and trends of currency conversion rates.

47 Capital management

The Company's management objective are :-

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders by pricing products commensurately with the level of risk.

The Company monitors capital on the basis of carrying amount of equity including retained earnings as presented on the face of Balance Sheet. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.
